General terms, scope, and limitations are set forth on the next page.

This agreement (60 Day Warranty) is serviced and underwritten by South Country Home Inspections, Inc. (South Country) and is provided free of charge by your home inspector as a part of your paid and completed home inspection.

MECHANICAL COVERAGE SUMMARY: Plumbing: Water heaters. Heating/Air (HVAC): Air Handlers and Condensing Units.

STRUCTURAL COVERAGE SUMMARY: Poured Concrete & Block stem wall foundations Only. Roof leak repair (does not include replacement of bad shingles or replacement for covering at or near life expectancy). This warranty covers free standing residences only. Condominium units, townhomes, and any semi attached or attached units are excluded.

COVERAGE TERMS: This service contract covers only those items specifically listed and excludes all others. This contract covers parts and labor only and does not cover consequential or secondary damages. This contract only covers those items that were confirmed to be in good working order at time of inspection and excludes all others, regardless of their condition at the time of inspection or if they were repaired. This contract does not cover plumbing leaks, water damage, cosmetic repairs, or items that are inaccessible without the removal of drywall, concrete, or any other permanently installed covering. This is not a maintenance contract. In order for an item to be covered, it must be maintained in accordance with the manufacturer's standards or be maintained within reasonable standards where no such standards exist. This contract excludes all appliances and items over 5 years old. This contract does not cover plumbing leaks or stoppages, regardless of reason. This contract does not cover well or septic systems or any related components. South Country is not responsible for upgrading failed systems to meet current codes or local ordinances. This contract does not cover chimneys, fireplaces, or brick failures of any kind. This contract does not cover cracking or scaling concrete or cracks in tile, plaster, or drywall. Roof repair is for leaks only, to rolled, composition, asphalt shingle and tile roofs only (and is limited to the repair of the leak only). This contract does not cover pest damage, including that caused by any and all wood destroying organisms and pests. All mechanical coverage is limited to those items within the home's foundation and limited to an aggregate maximum of $250.00. All structural coverage is limited to issues within the home's foundations and is limited to an aggregate maximum of $500.00. South Country is not an insurer. Any damage caused by any peril is not covered by this contract, which includes but is not limited to; war, riot, civil commotion, earthquake, hurricane, any and all acts of God, or any other outside cause or neglect. All claims on this policy shall be made by the buyer of record only after they have taken possession of the home. This warranty and all related disputes shall be interpreted and enforced in accordance with the laws of Flagler County in the State of Florida without reference to, and regardless of, any applicable choice or conflicts of laws principles. All claims must be received within 60 days of the original inspection. The coverage under this policy shall come after any and all other warranties in place.

CLAIMS PROCEDURES:

1. Written Notification of claim must be emailed to and received by South Country prior to the expiration of the policy (which is defined as noon, the 61st day after the inspection is completed). The following information must be contained in the claim:

a. Your Name
b. Your Inspector's Name
c. Your Full Address
d. A Phone Number Where You Can Be Reached
e. A Brief Description of the Claim
f. Make, Model & Serial # for All Appliances

2. An itemized repair estimate must be submitted for every approved claim, including the breakdown of parts & labor, as well as a specific cause for the failure in writing from a licensed or properly certified contractor. South Country reserves the right to request up to two (2) additional estimates. The estimate must include contact information for the contractor.

3. A copy of your home inspection must be submitted with the repair estimate, or at least those pages pertaining to the affected items.

Claims will be processed after we are in receipt of items 1, 2, & 3. You will be contacted by a South Country representative within 72 hours of all items being submitted.
